“ Dear Mrs. Worth and family: My mom, Kathleen Osborne, met Dr. Jack Worth when he was a young doctor and she was the one who hired him to work at the Veteran's Hospital in Atlanta. He later on went into private practice in downtown Atlanta where he saved my mother's sister, Norma Andrew, from early breast cancer. We all went to him from then onward for several years and although I did not know your husband, I recall Dr. Jack speaking of all of his kids with love and pride. I want to express my deepest sympathy to you and all of your loved ones. God bless all of you.
