“ As a co-worker at Golden Living center, my deepest sympathy goes out to your entire family. I remember at work every time Deborah sees my hair she would say "Marilyne what does your boyfriend say about your nappy hair" my response will always be "I am waiting for pay day and I will smile". Deborah, we love you but God loves you the most. "He heals the broken-hearted and bandages their wounds" Psalm 147:3. Blessed are those who mourn for they shall be comforted and God will never leave his children neither will He forsake them. I will keep you all in my prayers. Marilyne.

“ As a co-worker, fellow night nurse, I will really miss Deborah. She was and in my mind will always be so FULL OF LIFE. She could make a long night at work go by so quickly with all her stories! The girl could talk. I loved hearing all about her family and shopping at Kholes. I love her and always will. I love her spirt of LIVING LIFE and will try to follow her example. Blessings and prayers to her husband, children, family, friends, and her 2 little furry babies.

“ You are in my thoughts and prayers. Only time will heal the pain that you're left with now. I'm sure that you all have more than enough good memories and funny stories to pull you through some of the bad days you are bound to have in the future. Think of them often and they'll help pull you through when the going gets rough.

“ I know I've never met the family but I feel as though I do know you through my conversations with James. I have been praying daily for Deborah since learning of her illness. My heart is heavy for all of you as you grieve your wife, sister, mother, grandmother, daughter, friend, etc. I know that the Lord has wrapped his arms around you all and is holding you, giving you His strength to see you through this tragic time. I shall continue to pray that you may be provided the strength and courage you will need in the times ahead.

“ Eddy and family, we are so sorry for your loss. It was really sad news for us to hear that Deborah was diagnosed with that terrible disease, cancer. And even worse that she couldn't beat it. We both pray for all of your families and wish you a quick grieving process. Let us know if we can do anything at all during this very difficult time. Sincerely, Mitch & Debbie
