“ I will always remember her silliness, wicked sense of humor and awesome creative spirit. Elaine & my sister Sue and I grew up together in the crazy 60's with the Beatles, Herman and the Hermits, Paul Revere and the Raiders, summers in Hapeville, talking to the spirits (haha) and laughing...a lot. She and I traveled together and had loads of fun. I am so grateful that she is finally free from pain. Glad to have gotten to spend precious time with her in her last few days. It was an honor.
Adieu, Lady Elaine. Fly high and be free and happy!! See you on the other side!
Your loving cousin, Patti
