Thanks Mike and Nancy. Those were some good days. Wish the kids were still little. We still laugh about the time Buckey pulled up our flowers and planted them in your yard. Hope everything is going well with you and your family. Thanks for remembering Deb.

“ Debbie has known me since I was born I am sure.. She was friends of not only mine but my sister and brother. She was always a happy, sweet person whom loved to laugh.. I was so happy I reconnected with her many years ago on Facebook.. My thoughts and prayers are with her family at this difficult time. She was loved by everyone who knew her... She will be missed.
