“ Linda, I am so sorry for the loss of Delbert. I have known he was sick for quite some time but never dreamed he would be gone from us so soon. He was always so faithful coming to our classmate dinners that we had at Cracker Barrell before Covid, and was always picking at different ones; We got to have our last meal with the classmates in April at Sprayberry's & since then we have lost Delbert & Brenda; I have missed our dinner's and our get togethers at Sprayberry's on Saturday's in April & October. I miss seeing everyone but looking for the day when we can see all of our loved ones that have gone on before and there will not be any more sickness but we will all have new bodies. May God be with you, Ricky & Chris and all the family and give you His comfort & peace as only He can. In the weeks and months ahead if I can do anything for you please call me. Love you & praying for you.

“ Linda, please accept my heartfelt condolences on the loss of Delbert. I know how devastating it is to lose your spouse. Lawson will soon have been deceased nine years, and I still miss him and think about him every day.  
Always cherish the memories of the time you two had together. Because of medical issues I have, I am so sorry but I will not be able to attend visitation nor the services. I hope the services will be on web cam so that I may watch them. My thoughts and prayers go out to all of the family. May God wrap His loving arms around you and comfort you, and help you to find peace at this time, as only He can. Love to all of you.
