“ We were so sorry to hear of Delma's death. He lived a long and good life and was a great example of what a man should be. Jim (especially) has fond memories of working with him in the Lions Club. It was an honor and privilege to call Delma and also Elaine "friends". We were out of time when he died and sorry we were not able to attend his service.

“ I met Mr. Delma and Miss Elaine at Wesley Woods many years ago when I became their hairdresser/barber. I knew immediately they were totally devoted to each other and still in love. I watched the way they'd look at each other and uplift each other...they took their vows of marriage seriously, "in sickness and in health"...and "until death do us part"...they were totally devoted to each other. That's true love.

He always was so soft spoken and kind to others and was definitely a gentleman.

I enjoyed the stories of his past and hearing about his family growing up. He had so much wisdom and I would try take it all to heart and remember the lessons learned from the past and the wisdom gained from them.

He loved his family so much and was so very,very proud of them.

I consider it a true blessing to have known this fine man and his lovely wife, and I know they are happy together again in Heaven.

I am thankful, that I too, will see them again one day in Heaven.
