“ *Your a gentleman and a scholar and I am proud to have known you. What's that question people ask, If you could sit in a room and talk to anyone who would it be? Some say Mother Teresa or Winston Churchill, or Jesus Christ. I have to say Jesus would be my number one and you, Denny, would be a very close second! My regret is that we didn't spend more time together, talking. My heart breaks for Mary and for your family right now. You lived your life well Denny, you set an example for all who knew you, rest in peace.*

What a great friend and neighbor. Dennis and Mary showed us all the good traits we wished we had. His sense of humor and willingness to help all will be missed.
