“ *Family Chain We little knew that morning, God was going to call your name, In life we loved you dearly, In death we do the same. It broke our hearts to lose you, You did not go alone. For part of us went with you The day God called you home. You left us beautiful memories, Your love is still our guide, And though we cannot see you, You are always at our side. Our family chain is broken, and nothing seems the same, But as God calls us one by one, The chain will link again. I will always cherish the memories of you Dennis I only wish I could have said goodbye for now and that I'll see you later and to let you know how much I love you But I understand you had to go when you were called Before I was afraid of dying and often wondered which one of us would be the next one to be reunited with daddy, Now I know when its my time I wont be afraid because I'll have my daddy and big brother there to welcome me home with open arms. In the beginning there were 8 of us then 7 and now 6 and I know in the end there will be 8 of us again I love you Dennis and I know I will see you again. Rest In Peace*
