“ *My dearest Vetta, Hold on to the love, not the loss. My deepest sympathy to you and your family during these times. Remember tears are like prayers too, they travel to God when we can't speak. I'm here for you. And I really mean that. I pray for your strength to get through today and the trying days ahead. Donna Smith Morgan.*

“ *Carmen, Vida, and Luis. Know that our prayers and thoughts are with you during these days of sorrow. We so remember the short good times we had to spend with John. I am sorry we have not gotten to know the other members of your family.*
