“ Donald J Emaus is the last member of the B 24 crew who flew " Dopey Goldberg" and the famous "Teggie Ann". He earned the Distinguished Flying Cross on 1 Aug 43 during "Operation Tidal Wave" attack on the Ploesti Oil Refineries in Romania. On 16 Aug 43, he was shot down with his fellow crew members and was a POW till WW2 ended. After the war Don became a dentist and served his community. He is a true American Hero and his service to our country will never be forgotten. The crew is together again. RIP Don
