“ My Pawpaw was one of a kind , never gave up .. until the last time . He was tired and ready to go home to his dad and wife . I don't know what I am going to do without you Pawpaw . You are my best friend . All I can do from now on is try to find your angel dust and follow it since I can't find your footsteps anymore . I'll be waiting for the day that you and I can see each other again but until that day take care of my babies up there in heaven with you . They got to meet there Pawpaw and I know they are in good hands . I'll try my hardest to make you happy with me throughout life . Forever in my heart and always by my side . Monkeys Pawpaw . I love you so much and miss you more . I wish I could have just spent the last time with you . I promise I will be the monkey Pawpaw wants me to be . Rest easy and ride hard . Your a legend in my eyes .
