

Donald Wythe Nixon

May 27, 1954 - February 8, 2016

Donald Wythe Nixon, well known for his exceptional creativity and advocacy for the arts, took the last breath of his 61 years on February 8th, 2016. Don dedicated his life, love for music, and multiple talents to helping people express their faith and sentiments through the arts. Most recently, Don distinguished himself as an innovator, educator and community leader through his work as the Executive Director at the Centre for Performing and Visual Arts of the Coweta County School System in Newnan, Georgia.

Don is survived by his wife Catherine Lowe Nixon of Newnan, Georgia; daughter Jordan Burgess Nixon of Washington, D.C.; mother Helen Jordan Nixon of Abingdon, Virginia; mother-in-law Wanda Burgess Lowe of Abingdon, Virginia; brother James Arch Nixon and wife Bobbie O'Dell Nixon of Abingdon, Virginia; brother-in-law Timothy Burgess Lowe and wife Jane Jewell Lowe of Fort Myers, Florida; brother-in-law Stephen Harrison Lowe and wife Mary Lynne Hughes Lowe of Abingdon, Virginia; and nieces and nephews April, Crystal, Hollie, Jamie, Adam, Andrew, and T.J.

Don graduated from Abingdon High School in 1972. He then earned two associate degrees from Virginia Highlands in Business Administration and Education. He attended Carson Newman University in Jefferson City, Tennessee and graduated in 1978 with a Bachelor of Music degree. Don continued his education at The Southern Baptist Theological Seminary in Louisville, Kentucky where he earned a Master of Church Music degree in

1980. Don was ordained as a Minister at Abingdon Baptist Church in August 1981 where he was a founding member and director of the youth choir Shalom Singers.

Across the years, Don, along with Cathe, his high school sweetheart whom he married August 16, 1980, served numerous congregations - Minister of Music at Melrose Baptist Church in Roanoke, Virginia; Minister of Music at Parkview Baptist Church in Monroe, Louisiana; Minister of the Arts at Northminster Church in Monroe, Louisiana, a congregation that he helped to found; and Minister of the Arts at Willow Meadows Baptist Church in Houston, Texas. After moving to Georgia, Don was an active and dedicated member and Deacon of Central Baptist Church in Newnan.

The imprint of Don Nixon's talents will be sorely missed. Not only was he a superb conductor of choral music, he was a skilled artist in floral arrangements, an expert in design and decorations, an imaginative program planner, and an influential lecturer and writer in his fields of expertise. Along with a friend, Don published a three volume set of books on worship and the arts.

The public honored Don with several much-deserved awards including recognition from the Boys Club of America in New York City, the Distinguished Floral Designer Award from Town and Country Magazine, the Christopher Award from Strauss Theatre, the Distinguished Honor for Civic and Community Contributions from the Garden Clubs of America, and the National Healthcare Recognition from the Native American Museum in Washington, D.C., along with numerous other civic, community and national recognitions and achievements throughout his life.

Don's passion for artistic expression and the development of his interests were exceeded only by his love, pride and support for his daughter, Jordan

Burgess Nixon. Don bequeathed to Jordan unforgettable memories of an impassioned, generous and supportive father who encouraged his cherished daughter to nurture her talents and to pursue every one of her dreams. Don embodied the nature of unconditional love.

All who knew Don Nixon felt blessed by his presence, empowered by his encouragement, delighted by the arts to which he introduced them, and inspired by his faith and spirit. A worship service to honor Don's life will be held on Sunday, February 21st at 5 o'clock in the evening at Central Baptist Church in Newnan, Georgia. All are welcome to attend and celebrate Don's life. In lieu of flowers, the family requests donations be made in his memory to the Donald W. Nixon Fund in care of the Patrons of the Centre at P.O. Box 1422, Newnan, Georgia, 30264. Online condolences may be expressed at www.mckoon.com. McKoon Funeral Home 770-253-4580.

“ *My heart is so sad to see that we have lost Don. He gave me and my family an opportunity to move from Louisiana to Georgia, allowing me to begin the string programs at East Coweta Middle School, Madras Middle School, and Smokey Road Middle School. Newnan has never left our hearts, and my family will always appreciate the dedication that Don had to giving the community music, especially with our three schools combining to perform at the then newly built TPAC. May the Lord bless your loved ones.*

“ We met the first year the Centre was opened when ECHS was to be the first high school performing their Spring Musical there and I was a parent helping with costumes. The Centre then hosted many years of the STAR program where all 3 high schools performed a summer show or 2 together. It provided a great opportunity for all 3 high schools to form life long friendships. He even jumped in as a character in Little Women one year and we all saw another side of Don Nixon. As a parent of one of those students I appreciated his interest in the students then and for years after whenever I saw him at any shows I attended at the Centre. For that and all you did for our county, THANK YOU! You will be missed!

“ *Don was one of the first persons we met when moving to Georgia 14 years ago. We shared the belief that art is an enrichment that all persons should share. I remember well that first conversation in his office at the Centre. We will be forever grateful that his desire to share the arts with all has now become an expectation in this community and one that we are certain will continue because of his exceptional devotion to that end. We will miss his excitement, his energy, his smile, his genuine love of the arts and the people of Newnan. We send our thoughts and prayers to his family.*

I can still feel the happy energy Don always had. I remember the laughter we shared. I am so glad our paths crossed in Monroe. I remember the time when we were going on a trip and you and Don came by before we left and placed a basket of goodies for us to have on the road in our car. It was such a sweet surprise to open the door and see that basket filled with lots of goodies. Brent and Casey were so happy with what you had put in the basket. “ Don was such a talented man who shared his life with so many, trying to help us all appreciate the beauty God has given us in this world. He was a very generous man who used his many talents to make worship more meaningful. He never seemed to run out of creative ideas to help us grow closer to the Lord while he and Cathe were on staff at WMBC in Houston. They both came up with so many different ways to look at things while drawing our attention to ways we might learn about and serve the Lord. His life seemed to be about showing kindness, sharing the arts, and genuinely caring for all those he came in contact with. His love of life and enthusiasm was evident to all who knew him. He loved the Lord and will be missed by the many he ministered to while on this earth. My heart goes out to Cathe, Jordan and all the Lowes and Nixons. I feel so blessed to have known him and his family and will miss him so much.

“ We have such fond memories of your family and the time you spent at Willow Meadows Baptist Church Don's life was far too short. But his was a life well lived. His generosity and creativity touched so many lives! His vivacious spirit will be remembered and live on in the impact he made on the lives of others - so many beautiful memories. Our prayers are you with, Cathe and Jordan.

“ Our family was so blessed by Don in so many ways. I still recall visiting his home in Monroe as a part of the music search committee. We benefited from his years of service at Willow Meadows Baptist in Houston, and by his floral gifts for both our children's weddings.

We were also privileged to visit him in Newnan, enjoying the hospitality of Don and Cathe, as well as seeing first hand the work at the Center, and marveling at what he was able to accomplish in a short time.

Cathe and Jordan, we want to walk with you through this valley as we have walked with you through the better times. Our love goes out to you

“ I have heard that grief is a gift--you have to have lost a treasure to grieve. We have lost a treasure this week, and the grief is real. Don added so much beauty wherever he was in the world, he lived so fully, he gave so generously, and now we must carry on that legacy. I hope we learned from his all too short life. so much love to Cathe and Jordon with thanks for sharing this husband and father with all of us. just think of all the weddings, all the brides he blessed with his extraordinary gifts. We pray for God's loving arms to surround Cathe and Jordon to give them comfort and peace.

“ *Cathe,*

*My heart feels broken for you and Jordan. I'm so very grateful that Don's path crossed my path---from the neighborhood, to Shalom Singers, to singing at our wedding. He has made a powerful impact wherever you guys have lived. I was thinking today about "Celebrate Life" and the scene of the 40 days and nights in the wilderness while he portrayed the devil. Oh how I loved that, with him pulling that cape around him and just hissing like the devil would speak to us. One talented man there!! I will continue to pray for strength, peace, and comfort for all of you. Much love to you.

“ I will be forever grateful that the Lord caused our paths to cross. Don, Cathe, and Jordan were family to me while living in Houston and remained an important part of my life as we all moved from there. I have been the recipient of the Nixon gift of hospitality many times through the years. I always went away blessed and challenged to be a better version of myself. Don just had that kind of effect on all he encountered. My life is richer because of the influence of Don and Cathe and Jordan.

Praying for God's sweet presence serves as a comfort for Cathe, Jordan, and all the family during these coming days and weeks.

“ I was introduced to Don over three years ago by Kathryn Kolb. She had been to the Center to judge a photography show. She told me, you have to meet this man. So my wife, Kathryn and myself were invited to attend a patron's luncheon where I met Don . He was the most gracious and thoughtful human being I have ever had the pleasure to meet. Soon after that first meeting , He asked me if I would like to do a show at the Center and I immediately said yes and thank you. In December of 2014 I had my show in the gallery space at the Center which resulted in a piece being chosen by Don for the Centers permanent collection.

I know Don is walking with Jesus and I will forever be thankful for having the pleasure to have worked with such a loving spirit.

“*First and foremost, Don Nixon was a truly good person. I witnessed countless times when Don went beyond what would normally be expected in order to help a student or teacher. He always was supportive and encouraging to me during my years at East Coweta High School. After working a very full day, he and Cathe would often take time to attend a Dinner Theatre or other production at our school. This thrilled my students, and it lifted my spirits to know he honestly cared about what went on in the theatre program. He welcomed us to the Centre for every production, and he worked tirelessly to provide us with all that we needed to be successful. Other counties in which I taught had a county level administrator known as the Fine Arts Coordinator. This would be a person to lead the teachers in all the Arts Programs of the county. I was surprised that Coweta Schools had no such administrator. Then Don came into our lives. He had a more than full-time job as Director of the Centre, but he also was our Fine Arts Coordinator in every way except title and salary. All of the Fine Arts of Coweta County Schools have been supported, encouraged, and improved by Don's involvement.*

On a personal level, I always enjoyed the private conversations that we had together. Don's insight, creativity, and wisdom were treasures to share. Planning a performance project together or discussing problems together were good times. I will miss him as a leader, a guide, and as a friend.

I pray for God's support and loving comfort for Cathe and Jordan. Please call on me anytime I might be of service to you!

Cathe, Jordan and family, So sorry for your loss. Don was a brilliant man. We are so blessed to have had him in our lives. Coweta County will never be the same. He was one in a million. He was an inspiration to all of us. A great man. Heaven gained an angel, they are in for a treat. Love and prayers.

“ Cathe and Family. I can't imagine the loss today. Don was the most genuine person I have ever known. I am honored to have had him in my life. I know we all lost touch but none of you nor The Centre was ever far from my thoughts. This community has just begun to realize what it had and has now lost. There will never be another Don. God needed him more than us. Boy is heaven in for a treat. Love you all and you are in my prayers. Robin.

“ Donald Nixon was a treasure for Coweta County Schools and the arts. He generously gave of his time and expertise to help guide and encourage students at Smokey Road in public speaking. As a faculty sponsor for the school's oratorical contests, I knew I could always seek him out for advice and support for our students. He was a beautiful soul and will be missed greatly.
