“ *It's so surreal that all this has happened. I can't wrap my mind around the fact that you're gone. You were and still are my one true love. You will be missed by so many but will remain in my heart forever. I love you...rest in the peace that I know you've finally found.*

“ Hey "12" just wanted to let you know that we love you and miss you very much. You were one of the best people I have ever known. You cared about everyone you knew and were always there for us all No matter what time of day. I am sure going to miss my venting buddy who never judged me. All of this still seems so unreal to me. Rest in peace my dear friend and I will see you again. It's not goodbye it's I'll see you again one day.
