“ I was shocked and saddened to hear that Phillene had passed away. I used to enjoy chatting with her and working with her when I substitute taught at Ruth Hill. My son went to Ruth Hill back in the late 80's and Ruth Hill has a special place in my heart. God Bless your entire family at this tragic time. I know our Lord must have needed a guardian angel so He called her to duty.

“ I will always remember Philene's kind and gentle heart. When I came to Ruth Hill, she helped teach me about bus duty and other new responsibilities. She always had a kind word of encouragement and guidance for whatever help I needed. I have also seen her handle situations with students with patience and positive redirection.No matter what the situation was, she never raised her voice.I will miss her every morning that I enter Ruth Hill Elementary.

“ I am a Special Ed teacher at Ruth Hill and I have had the pleasure of knowing Phillene for the last 7 years both as a teacher and a friend. I am so very sad about Phillene's passing. I do know from many conversations I have had with her throughout the years how deeply she loved her son, mother and husband. The students in my classroom were so sad yesterday that they asked to make you cards! Just know she won't be forgotten and that everyone at Ruth Hill loved her. My thoughts and prayers are with you.
