“ You fought the cancer for a long time Deddy. I know you wasn't ready to leave us, but God said it was time. You touched a lot of people's lives and hearts, probably painted some their houses too! You will be in my heart always. I know Momma met you at the gates asking "what took you so long?" What a sweet reunion that was. I know y'all are dancing in the sky. It's not goodbye, it's I'll see you later. I love you very very much.

“ I’m gonna miss him coming to visit us, we talked about all kinds of things from reminiscing to the news of the day. He was like a brother to me, not just my brother in law...I have so many memories of him and Peggy hanging out with us that I can’t list them all. I know he loved Ashley, Megan and her twins, Ryker and JR. And he loved him dearly. I’m gonna miss my friend, and brother...I hope you and Peggy are dancing in the sky, love always, Brenda 🙏💜

“ *Donnie, our beloved neighbor & friend is already missed. He brought a lot of joy to our neighborhood, with a twinkle in his eye and a big smile as he walked with a lot of enthusiasm. I recall the last time I saw him out & about while he sat in his wheelchair at the end of the sidewalk: the sun was across his face & a breeze was in his hair as he looked up to the heavens for a moment. Now he is with Jesus, our Lord & Saviour and always in our hearts.*

*Prayers for all his family! There was never a time that I seen Donnie in a store or walking when he was wit Peggy and after she passed that he didn't stop and speak to me. He loved her and he told me she died and he wished the good Lord would have took him on with her. I've seen him riding a bicycle, pushing grocery buggies, and sitting on sidewalk in front of stores, and walking with canes, and sticks. He liked to talk. I remember when he use to bring Peggy and her mom, Ms. Ruby Rogers to church. I know she is in heaven too. He would come talk to dad when he was passing by there. I'm sure you all will miss him.*
