

Donophan Charlie Price, Jr.

February 6, 1970 - November 8, 2024

Mr. Price grew up in Columbus, Ga and was a proud graduate of Auburn University. After graduating from Auburn, Don and his family moved to Newnan, Ga where he began a career at GE Power Systems. Don then earned his Masters of Business Administration from Georgia Tech after gaining employment with Compaq Computer Corp (later to become Hewlett Packard where he worked for 22 years). Most recently, he was Director of Strategy High Performance Compute and AI at Hewlett Packard Enterprises. Don was always an avid learner who loved his family, music, and aviation. Don loved to share his knowledge on any subject and was always ready to explain something to anyone at any given time.

In addition to his parents, he was preceded in death by his sister, Casandra Price Kinney.

Survivors include his wife, Michelle Davis Price; sons, Donophan "Trey" Price III (Jessie), Matthew D. Price (Holly), and Elijah Price; daughters, Addinae Price, Carleigh Price and Melanie Baker Johnston; and his grandchildren Georgia Price, Wyatt & Allie James Price, and Caydence & Maddux Johnston; and many extended family members and friends who were like family.

Instead of a traditional funeral, Mr. Price wanted to have a celebration of life for his family, friends, and loved ones to have time together.

The family asks that in lieu of flowers, please make any donations in his memory to The Parkinson's Foundation at www.parkinson.org.

Don was not only a dedicated and talented professional but also a wonderful person who touched the lives of everyone he worked and interacted with. Don was kind, dedicated, always positive and was truly a remarkable person who made a significant impact on all of us.

In Don's time with us, he contributed greatly to our team and was respected and admired by all his colleagues. He will be remembered fondly for his unique personality, extensive life experiences and stories, his work on so many customer deals and new services while being a supportive teammate, and always bringing a smile to our faces.

“ To know him was to love him!! And to love him- you got the best!!!! His wisdom far surpassed anyone I've ever spoken to. His knowledge of all things never ceases to amaze me. His passion for his wife and children was evident in his smile as any of them entered a room. His love for Michelle in almost every post as they shared their last cruise. He loved fierce and his strength for family so very much carried on by his two incredible sons Trey and Matt. In his eyes his spark for life never diminished. May you each find peace and joy in remembering the good times. Above all share his memory and hold true to all the memories of your precious daddy. Thank you for allowing us into your life and share precious moments with each of you. Don will never be forgotten but always remembered from his contagious smile to his laugh that seems to fill the hearts of all around. We love you all and are truly thankful for the moments spent. Don- thank you for making such a difference. Cameron, Rachel and Mac Kearns
