I became friends with Miss Doris when I started working at Elm Street School many years ago. We instantly became not only friends but family. She and Big Joe became a big part of my life over the years to come. I will never forget her laugh, her love to shop, and the love she felt for her family. I can't begin to tell you all of the stories and fun times we shared over the years so many wonderful memories. Now my little buddy your work is done here on earth and you can walk the streets of heaven with Big Joe. I will never forget you and the good times we shared. My prayers and thoughts are with you Joe, Deena, and family. She loved you all dearly!

Joe and Deena, Tommy and I are so saddened to hear of the passing of your sweet mom Doris. She was such a special friend to Redell and the entire family. There are so many wonderful memories of our youth with Joe and Doris. While going through old family photos only a few months ago, I came across so many with Doris in them. Those were precious days. When you are ready, I'll be glad to share them with you. We are keeping you in our prayers.

Joe,

I am so sorry to hear of your Mom's passing. To a generation of us who lived within close proximity of La Grange Street Grocery, Big Joe and Doris were like family to us. Not a day passed that we did not go to the store for something. We were so fortunate to have had your parents as friends. We are thinking of you and your family at this time
