“Doris was such a Dear Aunt of mine that I remember fondly! As a child I spent many hours at her house as she would baby sit for my Mom! We had such a good time at her house and thinking back, she had this really cool wooden water fountain in her basement that we always played around! I remember her coming over to our house trying to scare us all with this Halloween mask on and we ran down the hall to our bedroom and crawled under the bed! Of course she followed us in and pulled us out from under the bed...LOL! She always had such a good sense of humor and made us all laugh all the time! I will miss her so much! Thanks for the memories Aunt Doris! We'll see you again one day! Love, Barry!
