“ *Although I only met Doris one time, she will truly be missed by many. I saw all the love from her family and friend's who was there at the hospital before she passed away. I'm so sorry that I didn't have the chance to get to know her. I know she would have truly been a wonderful sister in law. Terry and I would have been there had we known when her services were. We were out of town. We thought her services would have been Thursday or Friday. Terry has so many fond memories of his sister. I'm sure she was a loving and wonderful person if she was anything like his other sweet and wonderful sisters. Love Tammy Hasty Brown*
