“ Mark, my hearts deepest and sincerest condolences go out to you and your family. I know loosing the ones you love who are so dear is hard to bear. But please try to find it in your heart, mind and your soul that they are without a doubt with our Heavenly Beloved Father and that they're happy. This loss will take time, prayer, blessings and togetherness in consoling one another and within the natural time of healing. God Bless you and your family my friend. If there's anything I could do for you please let me know. God Bless you! Ken

“ Hey Bob, Sandy and I just wanted you to know how very sorry we are for your loss. No person should have to endure what you are right now. They say that God never puts on you more than you can bear so we just pray that along with this burden your are carrying that God will also grant you the peace and grace you need to get through this time. Mark, Kathy and Judy we also pray for peace and grace for ya'll and the grandchildren. Doris just could not take the loss of her child. She told me Saturday night that she didn't know how she was going to get through the loss of Danny, but I'm sure she didn't mean to leave you and the rest of her family with the greif of a double loss. God Bless and Keep his loving arms wrapped around all of you till you all have the strenght to stand again. We are here for you all just call and we will do what we can. Bob, Sandy says to call him anytime you want to. Love to you all Sandy and Kay Pressley
