“ My precious memories of Ms. Llewallyn will always bring a smile to me. When she was living in her home, I was part of a team that delivered Meals-on-Wheels to her. We would always start our visit with her allowing me to play a tune on her piano. Then, she would tell us about the different birds and animals that would come to her beautiful yard. Her love of nature brought her so much joy. And - those tomatoes she grew - I have never seen any more perfect! Ms. Llewallyn always had such a positive attitude - and was so grateful to anyone who would stop by for a visit. She truly loved people. I am blessed to have become a friend of Ms. Llewallyn and know she will be missed by her friends and loved ones. With love and prayers, Becky Peters
