“ *My mother always knew how to make holidays special. She made the most amazing Easter baskets and stuffed the best Christmas stockings. One of my favorite memories was coming home from school on a day when she made homemade vegetable beef soup for dinner. The table was set with soup bowls upside down. We couldn't touch them until dinner. What a surprise! There were yo-yos underneath. She always busy raising five children and sharing in our interests whether it was sports, band, majorettes, or drill team. We'll miss you, Mom!*
