“ In Florida, living a couple of doors down from Debbie and Don, I remember how much love and pride Dorothy had for all three of them. I got to know Dorothy after her husband passed, and the Luehm's became her new home. From the minute Dan was born she continued to be amazed with how bright and capable he was from a baby to a young man. When I would see her in the neighborhood streets, she would explain to me Dan's latest achievements. She had a great laugh and was easy to talk to. It was obvious how much she loved them all and was proud to be a part of their family. God bless - Audrey
