“ My heart has broken to hear of the tragic news. Mrs. Vaughn was such a special lady and loved by all of us here at Newnan Dialysis, including her fellow patients. After many years of taking care of her I was honored to hear all about her family and friends who she loved so very much. Especially, her new great grand baby. How excited she would get when telling me about all the new milestones she had accomplished and never forgot to mention how much she looked forward to receiving a new picture of Macie everyday. The love and pride Mrs. Vaughn had for her family was the topic of many of our conversations during her treatment and I can only hope that I bring as much joy to my family as you all brought to her. Take Care and God Bless- Amanda Greenway

“ I have so many fond memories of Ms Vaughn and loved to hear her speak of what she loved most, her family.. I had the pleasure of caring for Mrs. Vaughn at Newnan dialysis for several years and will hold you in my prayers in the coming days. May you find comfort in your memories and the knowledge that she will not have to suffer any longer.
