I am sorry to hear of Doug's passing. He was a great friend and co-worker of mine for many years at Owens Corning. He helped me many times with mechanical issues and taught me so much on the proper way to do mechanical work. We, here at Fairburn will miss him coming every year to the Retiree Luncheon at Christmas and all the other times I saw him with grandchildren at the dance recitals where mine were a part of the program also. Gail and Linda and all the family, know you are in our thoughts and prayers during this difficult time for you.
