“ *Cousin Doug was a free spirit. When I first met him...approx 53 years ago, before being properly introduced, I thought he might be a poor neighbor to Uncle Bob's family because he was the only one running around barefoot. He was a fun guy to hang out with, and got along great with his country relatives (Jim, Scott & me). I considered him a friend, as well as a cousin. He had a rich childhood, and I know he made a positive contribution to our lives. We are all very fortunate to have had him (at some time or another) in our world.*
