“ My heart is breaking at the same time it's rejoicing! My dear sweet Daddy your pain here is done and for that I'm thankful! Your wrapped in the arms of our savior and walking the streets of gold with Mama arm in arm, I bet she was so happy to see you walk through those gates. As much as I know this is what you wanted, I try to put on a brave face and remember all the things you taught me. I'll always be your little girl even though this time I couldn't go with Daddy! " when she was a little girl we knew she was something special, she just didn't see things the way the rest of us did. That was Daddy's little girl. "
