“ Doyle was a good friend. I did photography for the Bank of Coweta for many years and in that capacity got to know him. We also were in Rotary together and I sat next to him for several years while I was secretary and he was the treasurer. He stayed on for one more year as treasurer when I became president. It was an honor to me and to acknowledge his dedication to Rotary I chose him to receive the Presidents Cup. The world is a lesser place without him. Bob and Georgia Shapiro

“ Doyle was a Great American.

And the top banking operations executive in Newnan. Scott never had to worry about Bank of Coweta's daily operations because Doyle had that covered.

Doyle was quiet but inspirational.

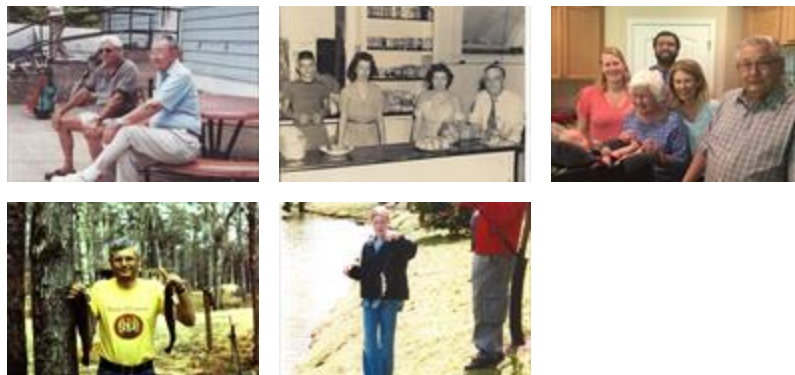

I think Doyle was mainly just a family man, being the best husband and father he could be was most important to him.

Mission Accomplished.
