“ Jerry was very much a part of the Sparks family and the St. John's (Knoxville) family. We have many fond memories of Jerry and know he will be missed. Although we cannot be at the service tomorrow, please know that all the many family and friends that knew and loved Jerry will be in our thoughts and prayers. I would like to think that Jerry is having a nice chat and comparing notes with my Dad right now - but in a much better place. With loving thoughts, John

“ Marihope, Betty and I extend to you and your family our deepest sympathy in your loss. Gerry was a wonderful person. We were fortunate that our paths crossed, and we had the opportunity to spend a little time together. We were eating at The Hil restaurant this week and recalled the wonderful evening we had with you and Gerry there a couple of years back. We also reflected on the evening of your anniversary and the delightful time we had in your home. Gerry and I shared many a conversation at Rotary and other places. He was a friend, a very special person. We will miss him. God bless you and your family. -- Sam

“ Marihope & family, I was sorry to hear of the passing of my good friend Jerry. Jerry and I were roommates at Lenoir Rhyne for four years, and I could not have had a better one. We had a lot in common, both of our fathers and older brothers were ministers, we were a perfect match. I have often thought of our years at L.R. and was so glad to see him and meet you at our 50th reunion. My deepest sympathy goes out to you and your Family. Lowell Roof
