

Dr. Mark Steven Cook

March 18, 1951 - May 5, 2023

Dr. Mark Steven Cook, age 72, passed away on May 5, 2023, at his home in Newnan, Georgia. Dr. Cook was born on March 18, 1951 in Toledo, Ohio. He graduated from Transylvania University and The University of Kentucky Medical School. His love for all things Kentucky basketball continued throughout his lifetime. He was often found watching the recorded Kentucky basketball national title games on repeat.

Dr. Cook and his wife, Frances Cook, moved to Newnan, Georgia in 1984 and quickly set up his Family Practice medical office. Dr. Cook loved his patients and served the community of Newnan for over 30 years, until health issues forced him to close his practice in 2018. When Dr. Cook was not working hard to serve and care for his patients, he enjoyed playing golf with his 3 sons and tinkering with his apple computers. He was an excellent and beloved doctor, a wonderful and supportive husband, and an even better father. We will miss him deeply and dearly and will always remember him and the legacy of love and care he left behind.

Dr. Cook is survived by his wife, Frances, and three sons; Harris (Angie), Adam (Meagan) and Matthew (Sarah). Dr. Cook was known as "Doc" to his 5 beloved grandchildren; Mary Burton, Caroline, Ben, Evie, and James. He was preceded in death by his parents, Eugene and Marion Cook, and his sister, Kathy Cook.

“ Dr. Cook was our family doctor for many years while we lived in Newnan in the 80s and 90s. He was one of the nicest kindest people I've ever met. He was a trusted excellent doctor for our family and through the years, after we moved to LaGrange, I continued to visit Dr. Cook's office because I never found another doctor like him. I'm very sad to learn he has passed away. I have been wondering how he was doing since his retirement. Condolences to the family and my heart felt prayers for your comfort.

“ Dr. Cook was my primary care physician for several years. He was God-sent! He was always interested in providing the very best care for his patients! I will never forget how he diagnosed the root cause for a severe condition that I had. He treated the illness with the appropriate medication and I recovered. My condolences to his family!

“ I have just learned of Dr Cook’s death. I became very emotional and cried, as I am now. He was my doctor for many, many years. He was an excellent listener and together we came up with a game plan. It’s shocking how many doctors who don’t do that! I loved him as a friend and my doctor. I will always remember him fondly.

“ I worked at Dr. Cook's office as his "as needed nurse" for several years and we had a lot of good times in that office. I also worked with him when he would come see patients in the ER. He was always in good spirits and very enjoyable to work with, rest in peace my friend.

“ Gene and I loved Dr. Cook. He was a kind, compassionate and caring man. He had a special relationship with his patients, like the Dr's. in my early years growing up in Newnan. He maintained a staff that were like personal friends, many that I connect with today. Frances and Family, thank you for sharing "Doc" for 30+ years.
Love, Pat

“ So sorry to hear this. He was my mom Dr for yrs until she died. Then when I moved here in 1986 he became my family Dr until the day he retired. Then I had to go and try and find another Dr. that was very hard for me because it's hard to find a good Dr that cares the way he did. He will be very missed.

“ *Steve was a wonderful caring physician and a good friend. The
Hospital Road doctors of the 80's were a special group and I think
of them often. Francis you are a special lady as well. You all are in
our prayers, Ginny and Lonnie Lonergan*
