

Dr. Patrick Henry Yancey, Jr.

January 28, 1933 - September 6, 2020

Dr. Patrick Henry Yancey Jr, 87 (Dr. Pat)

He passed away on September 6, 2020 at his home.

A private family memorial service will be held at the family farm.

Dr. Pat was born January 28, 1933 in Newnan, Ga to the late Patrick Henry Yancey and Marjorie Seib Yancey.

He is survived by his wife Jeane Arnall Yancey and his three children, Patrick H Yancey III(Julie), Barbara Yancey Chandler, and William Richardson Yancey(Anne). He is also survived by his eight grandchildren: Pat Yancey IV, Jefferson Yancey, Barkley Yancey, Bryant Chandler, Weezie Chandler, Mimi Yancey, Rich Yancey and Cate Yancey and two great grandchildren, Laughton and Louise Yancey.

Pat graduated from Newnan High School and received his D.D.S. degree from Emory Dental School in 1957.

Pat met the love of his life Barbara Jeane Arnall at Lee King Drug Co. and never looked back! Pat and Jeane were married on Dec 21, 1956. After their marriage, they moved to Paris Island, SC where Pat served as a lieutenant in

the US Navy.

After his service to the country, Pat and Jeane moved back to Newnan and began building a wonderful life together!

Pat started his dental practice in downtown Newnan, Ga in 1959. He continued his practice for over 40 years. He was an active member of the Hinman Dental Society for 50 years.

One of Pat's grandest accomplishment was building a legacy dental practice with his son Pat III and his grandson Patrick IV following in his footsteps!

Pat was a lifelong member and a deacon at the Central Baptist Church where his grandmother Leila Herring Seib was one of the founding members.

First and foremost, Pat loved his family.

He also loved golf, traveling, and stock market investments. After retiring he enjoyed collecting Americana antiques which are displayed in his country home at the family farm.

With many life accomplishments none were greater than the gift Pat brought to others. His greatest gift in life was his gift of kindness. He just knew how to make people feel good about themselves with his infectious smile and his sense of humor.

The family request that those wishing to make contributions in Pat's memory please do so to Central Baptist Church, 14 W. Broad Street, Newnan, Ga 30263.

“ We echo the sentiments of so many who remember Pat and how he touched their lives by sharing his- his wit, his smile, his varied interests, and his optimistic spirit. He truly never knew a stranger, making everyone he met feel comfortable and important, and could always engage and entertain you with a story. His life and legacy is evidenced in his children and grandchildren. We are so saddened he is no longer with us, but we are so thankful to have known such a special person. “ To Mrs. Jean & your children and grandchildren, & 2 great-grand children -

I wanted to express my deepest condolences to all of you and to tell you all how very much I loved Dr. Yancey. I was deeply saddened when I heard of his passing. The older I become the worse it seems my memory is but I have wonderful and vivid memories of Dr. Yancey that I will always carry with me. He and I enjoyed the gift of gab together whenever we would run into one another throughout the years. I worked for him and Dr. Pat in the late eighties. I believe that I was Dr. Pat's first assistant after he finished dental school and was very nervous the week I filled in for Kelley but we got along just grand and actually became thick as thieves when it came to local Newnan gossip that I enjoyed sharing with Dr. Yancey as much as he liked hearing it. He gave me the nickname "Nat King Cole" and over time shortened it to "King Cole" and finally settled on just "King" which was fine with me. I wanted you all to know what a wonderful sense of humor he always had and what a wonderful man he was. He will be missed greatly by all who knew him. All my Love to you all & Mrs. Jean I will end this & say a special prayer for you because of something I will never forget that my father said to me after he lost my mother " You children and our grandchildren I know are hurting because y'all lost your mom and grandmother but I lost my best friend and love of my life and that's not an easy thing to deal with. “ Dr. Yancey was my driving range practice buddy for many years. While most of my gang played weekends, Dr. Yancey and I would practice sometimes daily and have fantastic conversations full of humor, counsel, and clever wit. I still use a number of his golf quotes. My favorite was “shameful but satisfying”. We played a few times and he used that remark for a terrible shot I had made that happen to end up right where it belonged. He was one of a kind. I thank him for welcoming a “left-coaster” who shared a passion for the game of golf and the gift of optimism. Newnan lost the “best of class” in human nature with Dr. Yancey’s passing. My condolences to the entire Yancey family. J. Guerra

“ Dr. Yancy loved American art and especially, eagles! I had the pleasure of being his restorer and gold gilder of eagles, and other American frames and mirrors for about 20 years. I first met Dr. Yancy and his wife Jeanne when I worked as a restorer in Marietta. When I went into business myself, I was lucky enough to do much more of his work for his Eagle house. He was always full of life and positive words that still inspire me today. I haven’t forgotten what I learned from Dr. Yancy, and his words still stay with me. Rest In Peace Dr. Pat Yancy and my condolences to all the Yancy family. Sincerely

“ I started going to Dr. Yancey when I was 18 - only the second time in my life I had been to a dentist. We did not go for check ups or cleanings when I was growing up. He told me it was a wonder "that I had any teeth" . I think he filled about 10 cavities and they are still in place to this day! He was a wonderful dentist, but more importantly, a wonderful man. Pat and Patrick are filling his shoes well and still taking care of me. My prayers go out to this wonderful family whom I love dearly.

“ I am sincerely sorry to hear of Dr. Pat's passing. Other than a gentleman and a great friend, I can say he made going to the dentist fun. He always made me smile, and he was as genuine as a man gets. May I say he left his mark on his children,for they always smile and greet you with his same nature. I'm so glad to have known him for he was one of the best. My condolences to all of the family. GA.

“ When I first met Dr. Yancey I was 15; I thought going to the dentist meant pain. Dr. Pat brought modern dentistry to Newnan. He was a great dentist and even greater human being. Throughout these many years he, his son and grandson have taken care of our family. May God bless all the Yanceys.

“ As a child of about 5 in 1965 I have distinct memories of my mother taking me to see Dr. "Gancey" as I called him. Then, his office was on the East Court Square, just down from where Golden's is now. It was up a long flight of stairs. Once, he picked me up, draped me over his shoulder, and carried me up kicking and screaming. Children remember things like that. If someone ever asked me who I most associate with the word "decency", it'd be Dr "Gancey".

“ I remember going to see Dr. Yancey as a child. He was always a lot of fun, even when I had to have a tooth pulled before I could get braces at age 13. Now his son and grandson take care of me. In recent years I would chat with Dr. Yancey at church. Newnan has lost an icon for sure. The family is in my prayers.

“ So Sorry Dr. Pat is no longer with us. Our prayers are with all the wonderful Yancey family. Dr. Pat was a great dentist and such a nice man. His smile and his happy attitude would make you feel better each time you had the pleasure to be around him. He used to tease me as a young boy about who my girlfriend was. Of course he knew I didn't have one. Newnan has lost one of it's finest.

“ What a man full of heart! His big smile, strong grip on my knee or shoulder as I sat in his dental chair as a kid. Always asking how my dad "Mr. Hollis" was doing, and asking involved questions while his hands filled my mouth! Peace and blessings to him now, and to the family. Much love.
