“ Grace and peace from God our Father and the Lord Jesus Christ: Wayne Smith, Carolyn and Bill Underwood, and Arslee Harding, along with the grandchildren and great grandchildren, we the Pastor, Co-Pastor, Assistant Pastor and covenant family of Faith Baptist Tabernacle extend our heartfelt sympathy during this time of temporary separation from your beloved mother, grandmother, and sister who was first of all a child of God, Earline Bates. We were saddened to hear of her passing from time into eternity, but also joyful in the knowledge that to be absent from the body is to be present with the Lord. We have been blessed over these many years to share a loving connection with you, and we reflect on the example that Sis. Bates set before us. It is an awesome thing to be in Christ, being transformed by His power, and to have the assurance of spending eternity with Him. Such was the life of Sis. Bates. Know that while we are unable to be with you at the homegoing celebration our thoughts and most importantly prayers are being offered to God on your behalf. We are fully confident that He is the only One Who is able to sustain, strengthen, and care for you in this your time of need. Rest in Him knowing that while we are yet praying, God's answer is already on the way. We look forward to seeing you all soon.

“ I thank God for allowing my to be a sister-in-law to Earline Bates for over sixty years. During that time we never had had a fallen out or any disagreement that couldn't be settled with love. We can't say that about many people. She was a gift from God.

This is a true legacy she has left for her family to follow and walk even as he walked.

“ Earline was a special lady. Her love of God was evident in the way she lived. I loved her contagious laugh and the way she would break into a hymn when we prayed in our small group. I know she is enjoying her new leg and will be dancing in glory forever.

Earlene was a great soul and personality, she touched so many lives with her presence, she loved life and people, and so many people loved her. We are grateful we had the chance to know her. We begin to remember not just you died, but that you lived. And that your life gave us memories too beautiful to forget. May your eternal soul rest in peace.
