“ Dear Ball family, I was shocked and saddened to learn on Monday that Eddie had passed away over the weekend. I had the pleasure and honor of serving with him on the Board of the Georgia Chapter of the National Emergency Emergency Number Association (GA NENA) while I was employed as the 9-1-1 Director in Marietta, GA. I am proud to say I learned a lot from Eddie during the time we worked together in GA NENA to improve 9-1-1 service throughout the State of Georgia. I'm sure many other people who have worked in the public safety communications profession since the late 1980s that knew him would say the same thing. Regardless of whether you were a 9-1-1 director or dispatcher, if you needed some advice or direction on a topic you could always talk with Eddie about your situation and he would always tell you about a similar situation he had been in at one time to help you make the best decision. He always had a wonderful sense of humor and could tell some stories that would make you laugh from deep within. These are just two of the things I will always remember about Eddie. Eddie, you will be greatly missed here on this earth, but I plan on seeing you again someday when I leave this place to meet my Lord and Savior Jesus Christ. Robert "Bob" L. Williams, Jr. Marietta, GA

“ Dear Angela and Hope, It is still hard for me to believe that Eddie is gone. He was a friend before he was my boss. He was my boss for over 20 years and taught and encouraged me all those years. He got me to excel at something I loved and that was teaching in public safety. I hope that I made him proud of the job that I do. My friend you will be missed by a lot of people and the knowledge that you could give the ones in public safety. Go in GODS care and please look down on us still on earth with the kind heart that you had but did not show easily. You were loved and will be missed by many. I loved you my friend. Angela and Tinsley Hope you know if there is anything I can do please let me know. Cathy

“ It is with sad heart that I have to say goodbye to Eddie. He was a good friend in my high school days. We were able to reconnect in the past 5 years through e-mail, and I enjoyed all of his jokes and messages. He did beautiful leather art work that my family has enjoyed. Please know his family is in my prayers

“ Angela --Hope I am so very sorry to hear of Eddie's passing. He was a very dear friend for many, many years. He had a lifetime of stories. I always loved for him to reveal them to me. Most of them brought me laughter, yet there were a great number of them had life's lessons embedded within. He was a gentle- kind-loving man, with the voice of a bear, but gentle as a lamb. It is my prayer that God be with the both of you. Hope, I know it will be a great challenge but stay strong for your Mom as you and her will have to endure this terrible pain together. God will be with you through every step of this process. Trust in him. God Bless Love Jennifer and Bobby
