Offering heartfelt condolences to Helen, Donna and Paula from Estelle and me. Eddie and I were long time friends and Co-workers at Brown Steel. We rarely talked when he did not mention the three of you. You were the light of his life. He fought a good fight over the past few years and you were there with him every step of the way. Much love in your time of grief and loss. Malcolm Jackson

Helen, Donna, Paula and Family - I am so sorry for your loss of Eddie, but at the same time I am happy for Eddie to now be well and laughing again. He was a good man in every sense of the word and not that many can say that. What I always loved about him - he always had a smile and he always made me laugh. Sending my love to you, Pat Brown
