“ Dear Pat and Family, we were so sorry to learn of Ed's passing. Our thoughts and prayers are with you all. It was an honor and our pleasure to have known Ed and his lovely sense of humor. He has left you much too soon but is now at peace. Time is too slow for those who wait Too swift for those who fear Too long for those who grieve Too short for those who rejoice But, for those who love – Time is eternity. Love to you, now and always Sandie & Guy xxx

“ It saddens me to hear of Ed passing. I've had many conversations with Ed here at TIMCO over the years. Enjoying hearing him speak of his family and cars (T-Bird's). I will always remember how happy he was to reflect on his wedding day and the photo he would share of the two of them in the car. God bless

“ First of all , I am sorry that I did not have the pleasure of meeting Ed prior to 1990 here at TIMCO. I know that we would have been closer freinds and shared a lot more of life's offerings.Ed was extremely capable and talented up until his very last days,of that I am sure.We will all miss the way he performed with unusual accuracy,thoroughness and effectiveness....And I believe that I can speak for all of the TIMCO inspection team that had the opportunity to inspect Ed Cansler's work...no.... Artistry.

“ We heard the bad news from Pat and even though we knew it was coming, it was a great shock for us. We visited Pat & Ed in September 2010 with good friends and were pleased to find Ed in good spirits. Always in for a laugh and a joke. We surely will miss him. Wishing Pat and the kids all the strength in the world and hope to see you next year. Jack (Jalke) & Susan (Zus)
