“ My favorite Cousin, the times we had playing baseball, sneaking on the bus downtown Colorado Springs, and those days at the local pub reminding me that if you thought I was drinking a beer, how much trouble there would be. Over the years my thoughts turned to Eddie wondering where he went, after teaching at Battlement Mesa School. Then at a Fire Chiefs Convention, my best friend told me that he had talked to a man driving a bus ...and found out it was Eddie Hart....then to see Eddie on line in 2012. We had a three way conference call with Eddie and Craig Hart..it was wonderful to talk with them after so many years.... Rest in Peace Eddie...will miss you God Bless
