“ Arcee is my mom is 88 and she ask me several times about Christine in Newnan. Today we were talking about her again and found this sight online. Christine was first cousin to my dad, Grady Smith who passed several years ago. Never knew we were kin until just now. My mom always felt they were like best friends and I always tried to make sure they got to visit when we came to Newnan, before Aunt Louise Hall passed away. Just wanted to say how sorry we are to hear that she is gone. Any news my mom would love to hear if you have time. Celia Smith Dryden 386-497-1300.

“ Cedia,Danny,Jerry,Melinda,Mike, Sorry to hear about Christine. I lost my Mom 2 yrs. ago in May at Mother's Day. This will be a sad holiday for you but just know that she is not suffering any more and she is home with Jesus. I remember when she use to come to Sarah's, they were such good friends and I miss them both. May God comfort you and give you strength in the days ahead. You are in my thoughts and prayers.

“ Aunt Christine, Terry and I were just discussing you and wanting to come see you. We were told you were in bad shape and you wouldn't know us. We want you and the family to know that you were one of our favorites. You always called to me when you saw me on the street and you were so sweet to always ask about my Mother. You were so sweet and kind and loving and we will always remember that about you. We will continue to love you always and your family, Cedia, Melinda, Mike, Jerry and Danny. I'm just sorry we all did not get together more often. The last time I saw you was at a reunion at Lake Raymond several years ago and you weren't doing well than and it broke our hearts. I know you can't read this, but your family can and they will know that this part of the Beckom family loved you VERY much and even though we didn't see you, you were always in our prayers. We love you and will miss you. Kaye, Terry, Darren and Kathleen Beckom. ps. Please tell J.D., Daddy and all our loved ones that have gone on we still love them too and miss them terribly.
