“ *God saw you getting tired and a cure was not to be. So He put His arms around you and whispered "come to me." With tearful eyes your family watched you, and saw you pass away. Although they love you dearly, they could not make you stay. A golden heart stopped beating, hardworking hands at rest. God broke our hearts to prove to us, He only takes the best. “ Edna will certainly be missed. She was quite an individual and really good to our dad who loved her very much. I know she missed him. She would do anything for anyone and was a very caring person. She loved her family. She loved flowers and working in the yard. If anyone could have recovered from an illness, it would have been Edna. She was very determined in whatever she was doing. God bless her family.
