“ I am so sorry to read about your mother. My heart goes out to you and Michael and your family members. I Lost my father in August and know that you will have good days and bad days . With the lord help and time, your heart will heal. The one thing I remember about when we were young, is how sweet and loving your mom was. You had a great family and I am sure a lot of great memories and I know you will miss her. Take time to get out your old pictures and go through them and remember them all. Your old school friend and always friend, Johnnie
