“ We’ve been friends with Eddie for 25+ years and are deeply saddened by his passing. Over the years, there have been countless golfing days and exaggerated golfing stories, hundreds of phone calls to replay the days golf game or talk about the next one and twice yearly trips to Biloxi – for golf tournaments and for Eddie to share his winning slot machine strategies (which always worked for him but not for us!!). Eddie always talked about Shari, the girls and his precious grandchildren and you could tell how much he loved and cared for all of you. Eddie was truly one of a kind! We’ll miss his “whispering” voice when he was talking to us. And he will definitely be missed on the golf course. Our daughter also has fond memories of playing golf with “Mr. Eddie” – she has her own set of Eddie golf stories but mostly recalls how he was always so nice to her. Kenny said the other day – he’ll have to start using Eddie’s phrase “hit that right down the El Packo Shacko” in Eddie’s memory.
