“ Dear Canada Family, I'm so sorry to learn of Edward's passing. He reached out to me several months ago asking me to send photos of him that I had taken of him in college in Maine. He said he was in a predicament, but nothing more. I never heard back from him. I'm so sorry I didn't get a chance to send the photos. I'd be happy to forward them to a family member. I can be reached at denise@deniselebreux.com.

He was such a great guy- unique in character, full of charm, and genius in talent! The world won't be the same without him.

Kindly, Denise LeBreux

“ Flo and I have many fond memories of Edward. We can look around our property and see his handy work every day. He built us a beautiful classy dog house for our first dogs. It is still beautiful today. It looks like an English Country Inn!! Funny and intelligent guy. We will all miss him. Rest in Peace. Michelle Blank and Flo Jones

Janes I am so glad you came to visit not long after we found out about his illness. He was over the moon to get to see you and talk to you. You always made him feel good about himself by voicing what a good man he was. Thanks again for being his friend and taking up the quality time that you did. Thanks again.

Thanks to all of you at Kason and all the kindness you have shown to Edward. I'm so glad the monarch sanctuary was done. Edward was so thrilled when you asked him to help make it happen. To all of you almost to the last his big concern was that he was going to get better and go back to work at Kason. Thank you again Rebecca Canada
