“ *I was privileged to work with Gilbert at Life of Georgia for many years, first in the Group Underwriting Department in the mid 1960's, when I was a college student. “ *Dear Mrs Cox,Carlin,Christy & Family.I worked with Gil at Life of Georgia for 25 years.He was a great friend & co-worker.We had some interesting talks at lunch & breaks about how to run Life of Georgia, but nobody ever asked us for our advice--probably a good thing that they didnt.I saw him a couple times on the road when he was driving cars--he enjoyed that job. God Bless all of you & you have our prayers during this grieving time.*

“ My condolences to Gilbert's family. I am so sorry for your loss. Gilbert was a friend and classmate since elementary school. At our last class reunion in 2008 I had wanted to talk to him further. We had spoken for just a short time before dinner. That's when he told me Mary had died. He left as the reunion was winding down and I missed him and never got to continue our conversation. A few of us attended a multi-class get together in Sept. 2010, but Gilbert didn't. I did not have his current email address at that time. You know, there are people in our lives that we have always liked very much. Gilbert was certainly one of those people in my life. And, truly, I have thought of him so often since he lost his wife. I personally know now the sadness he felt. The time has come for our group and we are losing our mates and classmates at a rapid pace, but as long as a few of us remain, those lost will be remembered. Rest in Peace, my friend. God bless you all. Sincerely, Elizabeth Wilson Jones
