“ I so enjoyed getting to know Mr. and Mrs. Bean. I have one of his wood works and love it. I worked at the Post Office in Sargent where I enjoyed seeing them and even taking their paper to them. I know he will truly be missed. Mike Shelnutt

“ I'm so sorry for your loss Ms. Sue. I worked with Mr. Bean for many years at the County Water Department and nobody knew the water system like Mr. Bean. I enjoyed driving by your house and watching his garden grow. I still have the toy Mr. Bean carved for my son. He was a true craftsman working with wood.

“ I knew Mr. Bean from the YMCA. We would talk to each other every time we would see each other. I would sit on the sofa in the lobby and listen to his many stories from the war. I also got to see many of his wonderful carved creations, As a matter of fact, he gave me one of his creations, He told me he gave it to me because he never wanted me to forget him. It is hanging on my wall. I think about Mr. Bean every time I see it. RIP, Mr. Bean!

“ Miss Sue I'm so sorry for your loss. I will always remember him sitting in the Y lobby entertaining everyone with his military experiences and whittling his beautiful crafts with his wood while you were taking swim and exercise classes. The two of you were such a special example of a loving couple. I've been blessed to know and spend time with you both. Prayers are with you during this time. 🙏❤️

“ Miss Sue, I am just brokenhearted to hear of Mr. Eddie's passing. We had so much fun the four years we lived in Sargent! You and Momma making Bleu cheese dressing and doing things together, riding down Main St. on our bikes, waving frantically at y'all when you were in the yard. Those years mean so very much to me now and are some of my most treasured memories, and you and Mr. Eddie are front and center in those memories. Sending much love and many prayers to you, Karen and Teresa.

“ *Mr. Bean always treated me like one of his own. One example: Over the years, he'd always ask me to drive the car whenever we took a family road trip. It didn't matter whether the car was brand-new; he trusted me with it. That is just one way that he made me feel like I belonged in the family.*
