“ *Sending prayers and love for the family. The world has lost a beautiful soul I only worked with Eileen a short time at Penney's, but it didn't take a long time to get to know and love such a sweet and kind person. She will be solely missed such a beautiful spirit*

“ *Message: Forever in our hearts and never to be forgotten. We will always have sweet memories and thoughts of you. All our love till we meet again. There are tears to be shed by those of us that are left behind and it will take time for the sadness to fall away. Just remember her as she was before the illness and know that she is with family that left us in the years past, celebrating her arrival and waiting for the day we will join them.*

“ God gave me the privilege of being the brother of the most gracious and loving sister any man could have wished for. The memories we shared while growing up on "Windy Hill" will forever be in my heart and mind. We often hear people speak of the "good-old days", but I thank God that He allowed us to fully understand exactly what the "good-old days" were. I love you Eileen and I ask that you keep your eyes open because soon I will be there with you in Heaven to praise and adore our wonderful Savior together. Ronald (Ronnie) W. Cannon
