“ I just heard about Elayne's passing and I want you to know how very much I've loved her for the past 43 years. She was like the sister I always wanted and the best, most loving friend I've ever had. She was such a special person and there will never be another like her. She is in the arms of God now, and we all have a very special angel watching over us. Love and hugs to Tommy, the children, grandchildren, great grandchildren and her siblings.
