“ I was blessed to know Ellen for nearly 40 years and on reflecting - it is her small kindness's to her family, friends and strangers that she did constantly in all the years that I knew her that really stand out. The fact that she was an exemplary wife, mother, grandmother and friend is known to all who knew her but to me it was the constant little acts of thoughtfulness and kindness that came so naturally to her that she did them unaware. There was an extra sparkle when she was around; She will be greatly missed.
