“ My oldest two children still speak of our trip to Grand Island to visit Betty and Mario. Carolyn and I traveled from Michigan with FIVE little ones in the van! Betty welcomed me and my children into her home and made us feel at home. It was an amazing trip, we went on many adventures. What I remember the most is all the laughs! Betty loved to laugh almost as much as she loved her children and grandchildren. Many prayers to you Carolyn and all of your family. Your mother was a very special person to so many people!!

“ I remember the summer when one of the kids left the door to the freezer open in the garage. Betty and Mario had gone blueberry picking and all of those beautiful berries were carefully packaged and frozen for future use. I popped over from next door to find Betty covered in flour and frantically rolling out pie crust to bake those berries into pies before they spoiled. We laughed about that for years afterward! I am sorry that my old friend has passed and I send love and prayers to Mario, Mark, John, Nancy, Caroline and Tom and their families. I'll never forget her!

“ *One of my favorite memories of Mom is when we all went out to dinner at a Greek restaurant. The belly dancer came around to our table and mom started dancing. We all laughed so hard and we have laughed about it ever since. You will be greatly missed mom.*
