“ Dear Peggy and Luanne, my thoughts and prayers are with you. It is so hard to lose these wonderful women, like your mother, Gladys Smith, Christine Skelton, and Sara Brown. We "East Point" Gang were a part of a village of caring moms. Your mother's smile, laughter, and friendship will be treasured forever. Our mother always considered her as a cherished friend. She made a difference in the lives of us all. Love, Brenda Brown Micali

“ I was so blessed to work with Liz at Chick-fil-A and have her as a friend. She taught me that age is only a number, because I never knew anyone any younger at heart than her. What a lively, fun, interesting person she always was. She shared her joy in life with all of us in the accounting department and I loved to talk gardening with her. I have often thought of her in the years since and you will all be in my thoughts and prayers.

“ Peggy, please know that you are in my thoughts and prayers during this difficult time. We were out of town and I only learned about your mother's passing when reading the past newspapers Sunday night. You were a wonderful daughter and caregiver(which I witnessed while your mother lived with you and Frank) and I know your mother was appreciative of that and ALL that you did for her during this lifetime. Please remember others care about your loss. Love to you, Virginia Webb

“*Your Mother was one of the most special women in my life, and certainly for the first five years, like another Mother to me. Most of my early childhood memories are centered around your family and our adventures, and what a great woman Elizabeth was---I hope the "East Point group" is celebrating together once again now! Hugs to all of you, especially to my first "best friend" Peggy and Louanne.*
