“ To Michael, Jim, Carl, Genise, and all the family of Ms. Liz so sorry for your loss. There are no words to express how much I enjoyed this lady. She could be funny, serious, compassionate, and had so much history she could share with you. I really missed being able to visit with her at Wesley Woods after March of last year because of the Covid; but have so many wonderful memories of the visits I had with her and we would sit outside and enjoy the beautiful sun and just talk about the things that were happening on that particular day. Miss you Ms. Liz and look forward to the day when we have that great reunion when we will all be reunited with our loved ones. May God Comfort all her family and give you the Peace that only He can give. Great Lady, so blessed to have spent some time with her and will have her in my memories for many years to come.
