ME

“ It's been 8 years since God called you home and I miss you as much as I did the day you left. My life changed that day a part of my heart left that I will never get back but you left so much love and memories, compassion for everyone, knowledge, wisdom, laughter, etc with me that I will never lose. Love you always and forever mom.

ME

“ Well mom it's been a month now and I still can't get things together. Can't begin to grasp the fact your not here. I miss you so much! I know we had almost 47 years together but the last 4 or so we were together every day! I have so many memories I couldn't begin. Don't know if I will ever be the same again but thank you for a lifetime of love, teaching, being patient, forgiving, smiles, laughter, talks, shoulder to cry on, and so much more. Love and miss you always!!

Your daughter,

Melanie
